**1. Minutes of last AGM**

There being no amendments these were adopted and signed.

**2. Election of Officers**

As there had been no further new proposals made for the posts on the Committee it was proposed and seconded that:-

MC remain as Chairman.

LC as Vice Chairman.

SK as Secretary.

They were elected unanimously

MC expressed how happy he was with the team input for the year and that there was a great feeling of improvement with Dan at the helm.

He said that LBB is not very helpful with regard to youth support. The coming year may prove to be more difficult, from a policing point of view, due to the economic climate.

MC welcome Inspector. Carver who told us that he had been a uniformed police officer for most of his 28 years service with the Met. He briefed us on his role as well as matters concerning the relationships between the SNT teams and how that interfaced with the rest of the local Police service

Inspector. Carver was impressed with the strength of EWP and the amount of effort which goes into it.

He advised that there will be budget changes in policing from 1 April 09 and that there is an outreach project starting.

A Resolution was passed that EWP has a Society bank account at Lloyds TSB and this will be dealt with very shortly.

The viability of a vehicle for the SNT was discussed at length and due to the beaurocratic nature of things involved it was agreed that this is not an option to pursue currently.

**There being no further business the Meeting terminated at 7.50pm.**
